BASIC PHOTOGRAPHY SUMMER COURSE

This course is dedicated to those who want to have a first approach to the world of digital photography, both indoors and outdoors, starting with the basics of photographic technique. The various photographic genres will be addressed by the portrait in studio and in a "household" - considering the use of tools and equipment available to the students - and the landscape, intended as a research of expression through special technical languages.

Moreover it will be developed a section devoted to reportage, with a specific focus on street photography. This in order to learn a first approach to build possible photographic service, through exercises "in the field" and the introduction to topics of photo editing.

DURATION: 18 - 28 June 2019

COST: € 800 VAT included

EARLY BOOKING

You can save 120 euros on the course fee if you make the full payment by March 31th 2019.

WHY STUDY AT THE ITALIAN INSTITUTE OF PHOTOGRAPHY?

Italian Institute of Photography is a school leader of vocational training, able to provide solid preparation, sensitivity and contemporary photographic language and cross cultures, boundaries, markets. It's structured in three sections for a single goal: to train professionals. Three realities in one, that complement each other and are functional:

SCHOOL - Professional photography courses and evening classes since 1993.

ARTSIDE - Exhibitions, publications and events to showcase the talents of the Italian Institute of Photography

PRODUCTION - Photographic production agency that develops projects for its customers, offering the best IIF photographers an opportunity to meet with the professional world.

Production's clients include:

Orchestra Università Statale di Milano, ATM, Ermenegildo Zegna, Teatro alla Scala di Milano, Mipel, Fujifilm Italia, Gruppo Sintesi, Visa, Saporiti Italia, Illy Caffè, McDonald's, Barilla, Costa Crociere

IIF in English is the international department of the Italian Institute of Photography and offers photography courses in English. The department recognizes the importance of both 'global' and 'local' and has developed its philosophy, programs and partnerships based on this dual concept.

FOR ALL OUR ENROLLED STUDENTS WE RESERVE THE RIGHT TO THE CONVENTIONS WITH:

- the English-speaking multi-specialty **Medical Center**, where physicians and secretaries are able to welcome you in English, and some also in French and German, while students in possession of a valid European Health Card have the possibility to be visited by their General Practitioner, free of charge
- an **Institute of Italian Language and Culture** that offers a wide range of high quality Italian language course that take place throughout the year
