KICKOFF PHOTOGRAPHY COURSE

This course is dedicated to those who want to have a first approach to the world of digital photography, both indoors and outdoors, starting with the basics of photographic technique. The various photographic genres will be addressed by the portrait in studio and in a "household" - considering the use of tools and equipment available to the students - and the landscape, intended as a research of expression through special technical languages. Moreover it will be developed a section devoted to reportage. This in order to learn a first approach, to build possible photographic service, through exercises "in the field" and the introduction to topics of photo editing.

DURATION: 5 March - 21 May 2019

COST: € 550 VAT included

LOCATION: Italy, Milan, via E.Caviglia 3

WHY STUDY AT THE ITALIAN INSTITUTE OF PHOTOGRAPHY?

2018
2019

ph: Giulia Bertuletti

Italian Institute of Photography is a school leader of vocational training, able to provide solid preparation, sensitivity and contemporary photographic language and cross cultures, boundaries, markets. It's structured in three sections for a single goal: to train professionals. Three realities in one, that complement each other and are functional:

SCHOOL - Professional photography courses and evening classes since 1993.

ARTSIDE - Exhibitions, publications and events to showcase the talents of the Italian Institute of Photography

PRODUCTION - Photographic production agency that develops projects for its customers, offering the best IIF photographers an opportunity to meet with the professional world.

Production's clients include:

Orchestra Università Statale di Milano, ATM, Ermenegildo Zegna, Teatro alla Scala di Milano, Mipel, Fujifilm Italia, Gruppo Sintesi, Visa, Saporiti Italia, Illy Caffè, McDonald's, Barilla, Costa Crociere

IIF in English is the international department of the Italian Institute of Photography and offers photography courses in English. The department recognizes the importance of both 'global' and 'local' and has developed its philosophy, programs and partnerships based on this dual concept.

IIF in English embraced and is practising the method and philosophy already applied by Istituto Italiano di Fotografia from 1993 and represents a point of reference for the new talented photographers and professionals who are already affirmed. The strongly practical method and approach offers an innovative way to guide young people in the world of photography.

FOR ALL OUR ENROLLED STUDENTS WE RESERVE THE RIGHT TO THE CONVENTIONS WITH:

- Accommodation Suggestions
- Medical Center
- Institute of Italian Language and Culture
